

PUBLISHING IN ADDICTION SCIENCE

PHD SUMMER SCHOOL 2024

Dates: 30 June - 06 July 2024

Location: University of Gibraltar

Applications close: 31 January
2024

Boost your research skills and make your PhD journey a success with our Summer School program.

Learn from expert researchers and academic journal editors to produce high-quality publications from your research results.

OUR TOPICS INCLUDE

- The fundamentals of writing an empirical research article
- Writing up a systematic review and a meta-analysis
- Writing a qualitative research article
- Tools and methods of referencing and citations
- Reporting statistical results
- Preparing diagrams and tables
- Choosing a title and writing an abstract
- The process and steps of publishing an article
- The Open Science movement
- Identifying the appropriate journal (discussing different selection criteria, understanding impact factors, identifying predatory journals)
- Ethical considerations in publishing (collaboration, authorship, conflict of interest, funding, plagiarism)
- Preparing a submission package and writing a cover letter
- The peer review process, the role of reviewers and responding to reviewers
